

### Tickets have sold out for the date(s) I was looking at. Will you be adding any further dates?

Please subscribe to our newsletter and we will contact you when more dates are added.

### What are my transport options getting to the event?

The bus tour starts and finishes at Victoria Coach station. The nearest mainline station and nearest tube station is London Victoria. Victoria is on the Circle, District and Victoria underground lines.

### What time should I arrive?

The bus will depart promptly from stand O. Please arrive at Victoria Coach Station 10-15 minutes before the departure time.

### Are there ID requirements or an age limit to enter the event?

Please note that this event is 18yrs+ only. If you are lucky enough to look under 25 you may be asked to prove that you are aged 18 or over.

### Do you provide a gluten free/vegetarian/nut free/dairy free/vegan option?

We offer traditional, vegan, vegetarian, halal and gluten-free afternoon teas to suit all. Unfortunately, we are not nut-free. Please specify upon booking or call us/email if you would like to change it at least two days before the event. Please note that whilst gluten free flour and ingredients are used and great care is taken, the food is prepared in the same kitchen as the standard menu so for those with coeliac disease we cannot provide a 100% guarantee that the food will be gluten free.

### What is your refund policy?

Given the limited availability and exclusivity of these events, unfortunately we are unable to refund or change your tour date. However, you may be able to transfer the names if details are provided at least 48 hours in advance of departure.
